## Welcome to our 7th Annual Spring bull sale. 1PM (Qld time) Friday 21 September 2018

We feel for anyone who, like us is suffering this intense & cruel drought period. We all need to try & look past this period however & maintain our cattle breeding operations as much as possible to normal so that we can take advantage of the industry when the drought breaks. Beef futures look very strong for later this year & all next year with prices tipped to increase to record levels again.

We would like to thank our past clients & friends for your continued support at our last Autumn sale in April this year & last year's Spring sale in September. Both were highly successful for us & presented great value for money for the buyers.

### ROCKY BEEF WEEK

We would also like to thank all the people who came through our site at Rocky Beef week, We were very humbled & pleased with the amount of genuine interest we had in both our Angus & Charolais bulls on display. We had hundreds of people visit over the 5 days & also enter the draw for a \$5,000 bull sale credit. The winner, if you hadn't heard, was Sarah Godlee, Goondiwindi. Consolation prize of the Ascot RM Williams vest went to Mac Shann, Clermont. All 12 bulls on display at Rocky will be catalogued for this upcoming sale.

This year's sale also has a good line up of high quality commercially focussed bulls that we are very proud of. They have ideal bone, muscling & finishing ability for grass or feedlot production systems.

One benefit I guess we have of having one of the last major Angus & Charolais bull sales for the year ( 21st September) is that you can put off your bull buying till closer to when you wish to join which is closer to a season break.

As in our last sale all bulls have been INDEPENDENTLY structurally & temperament assessed by industry renowned assessor Jim Green. All bulls have undergone the following Ascot Quality assurance regime so you can get the Ascot Advantage:

- Independently structurally & temperament assessed & rated in catalogue
- Pesti tested negative
- Progeny of Industry leading genetics
- MSA targeted for market suitability with a focus on early weight for age, Carcass, fertility, finishing & doing ability
- All sale bulls DNA sire verified
- Vet & semen tested with Bull Breeding Soundness Certificate
- 3 germ blooded for tick fever so can go to tick areas.
- 3 day sickness vaccinated
- Vaccinated with 7 in 1, Pesti, Botulism & Vibrio
- All Registered unless advised in catalogue
- All fully Breedplan recorded to the highest standards.
- All bulls weighed & carcass scanned for EMA, IMF & fat scores prior to sale
- Polled focus with Charolais bulls tested for Homozygous polled gene where applicable
- All bulls guaranteed

### ANGUS SALE BULLS

This sale consists of approx. 45 x 2 year old bulls & 20 x 14-18 month old bulls.

Bull sire lines include: Ascot Hallmark, Ascot Lion Heart L305, first sons of the \$85,000 Millah Murrah Loch Up bull, the \$150,000 Millah Murrah Kingdom bull, the \$80,000 Millah Murrah Klooney bull, Millah Murrah Highlander G7, Clunie Range Juno, Texas Global & Te Mania Emperor (including 3 outstanding full ET brothers to Ascot Hallmark)

Many of the bulls will suit heifer joinings.

### CHAROLAIS SALE BULLS

The sale consists of approx. 50 mainly mid maturity pattern 2 year old Charolais bulls which are all polled or Polled/scurred. Of these 16 are DNA tested to be homozygous polled (as per testing authority results). All bulls are by industry & carcass trait leading sires.

### FREE DELIVERY

... is once again being offered to many destinations in Qld & NSW. Please refer to catalogue for details.

### AUCTIONS PLUS WILL OPERATE WITH LIVE VIDEO & AUDIO.

### IF YOU WOULD LIKE A HARD COPY OF CATLOGUE POSTED OUT PLEASE CONTACT US OR YOUR PREFERRED AGENT

### OUTSIDE AGENTS ARE MOST WELCOME WITH 4% COMMISSION APPLYING FOR CLIENTS INTRODUCED BEFORE THE SALE.

Complimentary morning tea, lunch & after sale drinks will be provided.

We look forward to seeing you at the sale.

### Yours Sincerely,

Jim & Jackie Wedge.

PS. We love to hear good reports about our bulls & the following is one we would like to share with you. It is from one of our major clients & friend Nick Mather of Manumbar Past Co. Nick has many properties with approx. 5,000 mainly Bos Indicus cross females & has been buying bulls from us for many years:

*"I've bought a lot of good stud bulls in my time but I haven't had any that have made an impact like Ascot has. At the recent Dalby feeder challenge Manumbar Pastoral won 1st and 2nd prizes for heifers and 1st for steers in the 200 to 300 kg class and second for heifers in the 300 to 360 Kg class. The bulls used were Ascot Angus. Thanks to Jim & Jackie Wedge for a magnificent job. If you want to breed the best, use the best bulls."*

2015 Top Priced Angus \$22,000 to Nick Mather
