17th September,2021

Border Zone residents crossing the NSW border to QLD to perform work that cannot be undertaken from home.

To whom it may concern,

_____ of

_____ needs to travel to our Cattle Stud,located at 1123 Warwick Allora Road,Warwick.Q.4370, to inspect our bulls for purchase,at our Bull Sale being held on 17th September,2021. This is work that cannot be carried out from home.

These are high value animals, having long term impacts on herd performance, hence it is essential that they are inspected prior to purchase.

Their sole purpose will be to select and buy a bull for breeding purposes,to be joined with their cow herd and return home on that day.

Yours sincerely

Jackie & Jim Wedge
